Pet Licensing Registration Rescheduled
The City is again requiring that all pets residing within City limits must be licensed. The cost of licensing is $5 per pet. Bring the most recent vaccination records for your pet(s) to the City Hall on November 12 and 13 between 7-8 p.m. to get them licensed.

Traffic Tid Bits
**Beet Harvest** – With beet harvest underway, please slow down and watch for the trucks. Don’t pull out in front of a truck as it can’t stop quickly when loaded. Let them go first, it may cost a few seconds, but may also prevent an accident.

**Street Parking** – Please remove your vehicles off the streets during snow events so the plow can clean the streets without going around parked vehicles.

Talkin’ Trash
**Fall Clean Up: Saturday, October 26, 8 a.m. – Noon Only.**
The big dumpster will be coming to town for City residents only. Get rid of your large garbage (appliances, etc.) at the “old gas station.” Once the dumpster is gone you are no longer able to dump any items.

**Compost Site: NO BURNING IN TOWN.** Haul your grass clippings, leaves, and branches under 6" in diameter to the compost site located west of town. Go ½-mile on the County line, turn left and go ¼-mile pat the bin and shed sites. Remember no wood, appliances, or plastic are allowed.

**KC Fall Supper**
The Knights of Columbus and Our Lady of Perpetual Help (OLPH) CWO will be hosting their annual Fall Supper and Bake Sale. Turkey and ham dinner with all the trimmings served country style. Take outs available.

- **Sunday, October 20**
  - Dinner: Noon to 5
  - Bake Sale: Begins at 11:30 a.m.

Vacant Lots
The “new” lots on the north side of town are lonely and waiting for someone to call them their own. If you know of anyone interested in building in Reynolds, have them call any City Council Member (listed below) or Ken.

Accessory Swap and Shop
**Monday, November 4, Reynolds City Hall**
- **6:30 – 7 p.m.** Bring Items In
- **7:10 p.m.** Ticket Drawings Begin

The Reynolds/Buxton Homemakers Club is hosting this event for the second year. Bring gently used fall and winter accessories, clothing, and holiday decorations to SWAP. All items will be displayed for SHOPPING. Examples include: scarves, jewelry, gloves, purses, boots, sweaters, jackets, etc.

You will be given a ticket for each item you bring to SWAP (up to 15, however bring as many items as you wish). Tickets will be drawn randomly, with the winning ticket holders getting first pick of accessories to be SWAPPED. Drawings will continue until all desired items are gone. Any leftover items will be donated to Good Will.
