New City Council Members
Congratulations to Everett Severinson and Linda Dockter for their recent Reynolds City Council election wins! We know they’ll do great things.

New City Auditor
Starting August 1, 2020, Jenny Skold will take over the City Auditor position. How lucky did Reynolds get!? Best wishes to you, Jenny.

Talkin’ Trash
Please remember, the dumpster by the gas station is for recycling items only. Large items such as appliances, pressure washers, etc. should wait for the spring and fall “big dumpster” days.

Vacant Lots
The “new” lots on the north side of town are lonely and waiting for someone to call them their own.

In addition, there are six lots one block south of Weber’s available for sale (former Jensen/Walmer property).

If you know of anyone interested in building in Reynolds, have them call any City Council member (listed below).

Park Shelter Remodel
The park shelter is looking quite dapper. Make sure you attend a function to see the wonderful improvements. Donations are still be accepted to help with the costs.

Electronic Message Board
The new electronic message board located in front of Weber’s is up and running. Check it out periodically for notifications!

Reynolds Community Betterment Events
Reynolds Community Betterment is planning the following events for this quarter. (Please keep your eyes on the electronic message board and Facebook for updates in this volatile time of our lives.)

- Steak Fry - Thursday, July 16, 6-8 p.m.
- Oktoberfest – Saturday, September 25
